AMENDMENT

Dear Sir:

This is in response to the Office Action Action mailed September 28, 2000 in the above identified patent application.

Please amend this application as follows.

In the Specification

Page 1, line 4, after "1999" insert --, now U.S. Patent D440,716 --.

In the Claims

Remarks

This application has been carefully reviewed in light of the Office Action and references cited therein. Entry of the forgoing amendments, reconsideration and withdrawal of the initial rejection, and allowance of the application as now presented are respectfully requested.

The claims were rejected for anticipation and/or obviousness over the prior patents to Brown and Fleming.

This rejection is respectfully traversed. The claims have been carefully reviewed, however, no amendments thereto were believed necessary.
